the cap is broken or missing.

Dietary Supplement
90 CAPSULES

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Iron is best absorbed on an empty stomach; however, occasional gastrointestinal discomfort (such as nausea) may be minimized by taking with meals. Iron-containing medication may occasionally cause black stools, constipation, or diarrhea, which is usually transient and self-limiting.

How Supplied: Ferrex™ 150 Plus is supplied as an orange and white capsule, imprinted "B703", NDC # 51991-703-90

Store at 25°C (77°F); excursions permitted to 15° - 30°C (59° - 86°F). See USP Controlled Room Temperature. Protect from light and moisture.

Dispense in a tight, light-resistant container with a child-resistant closure as defined in the USP/NF.

Warning: Keep this and all medications out of the reach of children.

All prescription substitutions using this product shall be pursuant to state statutes as applicable. This is not an Orange Book product.
