

L-Tryptophan is an amino acid that is converted in the body to serotonin, an important neurotransmitter that supports many functions in the brain and is used to aid sleep. As we age, many find it more difficult to get a good night's rest and L-Tryptophan can help maintain serotonin levels to support normal sleep. †

L-Tryptophan capsules manufactured for Superior Labs contain 500mg pure L-Tryptophan with absolutely no magnesium stearate, dioxides, preservatives or other potentially harmful artificial ingredients of any kind.

This product is formulated, developed, and manufactured in a FDA registered and GMP certified facility that is 3rd party inspected by a leading compliance authority for superior quality assurance.

Suggested Use: As a dietary supplement, adults take 1 capsule two to three times daily, or as directed by your health care practitioner. Best when taken with a meal.

Caution: Do not exceed recommended dosage. Please consult physician if pregnant or nursing, taking medication or have a medical condition before consuming this product. Not intended for use by individuals under the age of 18. Store in a cool, dry place. Do not use if safety seal is damaged or missing. KEEP OUT OF REACH OF CHILDREN.
