

WHAT MAKES OUR COLLAGEN DIFFERENT?

BioSchwartz® has developed this unique formula with our team of professionals using stringent quality-control standards to ensure a premium boost of collagen to our consumers.

Hydrolyzed Collagen Peptides - Our proprietary collagen peptide blend contains Type I & III collagen with a combination of over 18 amino acids sourced from Non-GMO, Pasture-Raised, Pasture-Fed Cows.

Exceptional Bioavailability - This clinically developed formula features small highly bioavailable peptide particles which are easily absorbed to stimulate collagen production at the cellular level for maximum results.

Made with Purity Tested/Allergen Free Ingredients - This neutral tasting formula, contains no artificial colors, flavors, sweeteners, preservatives, fillers, binders or harmful chemicals. It is free of lactose, gluten, soy, wheat, milk, tree nuts, peanuts, eggs and fish/shellfish.

- Promotes Healthy Skin, Hair & Nails[†]
- Supports Bones & Joints[†]
- Stirs in and Mixes Easily
- Proudly Made in the USA

Our Commitment to Quality - "At BioSchwartz®, we create superior products through the perfect balance of the latest technologies and the finest nutrients nature has to offer. We are committed to providing the highest quality supplements without the premium price tag."

SUGGESTED USE: Combine one scoop into your favorite beverage or meal 1-2 times a day, mix thoroughly; Collagen Peptides will clump in cold water.

CAUTION: Do not exceed recommended dose. Pregnant or nursing mothers, children under age of 18, and individuals with a known medical condition or who are taking any medications should consult a physician before using this or any dietary supplement.

Helpful Tip: If you want to enjoy Collagen Peptides in cold liquid, simply mix into room temperature liquid first and then add ice.

Notice: Collagen is not a complete protein. Do not use to replace dietary protein or for weight reduction. The benefits of supplementing with Collagen Peptides are typically felt after 30 - 60 days of continued use.
Does not contain any major allergens identified by FALCPA.

KEEP OUT OF THE REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL IS DAMAGED OR MISSING. STORE IN A COOL, DRY PLACE.
