PROTECTIVE BREAST FORMULA™

Christine Horner, M.D., FACS is an expert in the field of women's breast health and has been a health activist for more than 20 years. She has done significant research into key nutritional and lifestyle interventions proven to promote breast health. Dr. Horner created this exceptional formula, based on her expertise in this field, and in collaboration with Nature's Way®.

In her book, *Waking the Warrior Goddess*, Dr. Horner identifies five critical keys for breast health, upon which the **PROTECTIVE BREAST FORMULA** is based. The key ingredients in this formula provide a vital foundation for breast health.*
