

SUGGESTED USE: For best results, AHCC® should be taken according to the following 2-step program, or as directed by your health care professional.

STEP ONE: Take 6 capsules (3 grams) per day for a minimum of 2-4 weeks. This period can be extended to 3 months or longer if needed.

STEP TWO: Continue to take 2-6 capsules (1-3 grams) per day of AHCC® to maintain immune system function.

For individuals who would benefit from maximum immunotherapeutic support, a dosage of 6 capsules (3 grams) a day is recommended.
