

Nattokinase is an enzyme that is extracted from the fermented soy food called "natto." It is regarded by the Japanese as a very healthy food and has been consumed there for centuries.

DIRECTIONS: For Adults: Take 1 to 3 softgels daily, with food or as directed by your healthcare professional. For best results, take one of the servings at night before bed.

READ FIRST: Do not expose to excessive heat. Keep out of reach of children. Consult with your doctor if you are pregnant or nursing.
