

Collagen | type 1 & 3

- + replenishes collagen in the body*
- + revitalizes skin, hair and nails*
- + fights the effects of aging*
- + supports tendons & ligaments*

Collagen is a key structural protein (found in skin, joints, bones, blood vessels and connective tissues). As we age, collagen naturally breaks down and diminishes over time - leading to the early signs of aging. Youtheory® Collagen is designed to help replenish this vital protein, while supporting healthy aging and promoting a more youthful appearance.*
