Nutritional Support for
Free Radical Defense, Healthy Eye Function
Healthy Immune Function
& Healthy Inflammation Response*

DIRECTIONS: As a dietary supplement for adults, take 2 capsules once daily.

If you are pregnant or nursing or are taking any medications, consult your health care practitioner before using any herbal product.

Free from artificial colors and preservatives.

VEGETARIAN • GLUTEN FREE

Free from the common allergens yeast, wheat, soy and milk.

KEEP TIGHTLY CLOSED IN A COOL, DRY PLACE.

KEEP OUT OF REACH OF CHILDREN.

A lifetime of focusing free-radical-generating light on the macula of the eye often results in age-related vision decline. The catabolic free radicals generated from daily use of the eyes lead to inflammation, irritation and long-term loss of clarity. **Nature's Plus® AgeLoss® Eye Support** is here to help.*

AgeLoss Eye Support is carefully calibrated to neutralize the entire range of free radicals that attack the eyes, while providing the anabolic nutrients that promote repair and rejuvenation, as well as glare reduction and overall acuity.* **AgeLoss Eye Support** includes:

REJUVABOLIC™ Full Spectrum Antioxidant Blend: Achieving over 3000 total ORAC, this vibrant complex includes renowned eye-protective antioxidants from grape seed, wild bilberry, blueberry, trans-resveratrol, quercetin and more – neutralizing the free radicals that inflict the most damage on the eye's delicate tissues.*

FIRST DAY™ Healthy Inflammation Response Blend: Antioxidant-dense whole foods and nutrients, such as olive fruit, turmeric and Thione Complex™, promote healthy inflammation response.*

Lutein, Astaxanthin and Zeaxanthin: These antioxidant carotenoids naturally migrate to the eye's retina and macula, where they neutralize free radicals and replenish protective macular pigments, promoting sharp, high-resolution vision, with less glare. Lutein and zeaxanthin offer added protection to the lens, while astaxanthin supports the stamina and rejuvenation of the focusing muscles of the iris.*

AgeLoss Organic Gold Standard Potentiating Nutrients annatto, amla, guava and rice protein optimize these age-defying vision health nutrients.*

With additional government-researched eye-support antioxidants like vitamins A, C and E, along with the minerals zinc and selenium, **Nature's Plus AgeLoss Eye Support** is truly the most sophisticated anti-aging vision formula ever developed!*
