As the liver ages, catabolic damage impacts overall health and diminishes the liver's ability to manage oxidative stress. NaturesPlus® AgeLoss® Liver Support replenishes key anabolic nutrients that counter catabolic damage and promote youthful liver function. AgeLoss Liver Support includes: REJUVABOLIC™ Full Spectrum Antioxidant Blend: Achieving over 3000 total ORAC value, this vibrant complex of antioxidant-packed nutrients such as grape seed, wild bilberry and blueberry, trans-resveratrol and quercetin, joins with the Liver Rejuvenating Herbal Blend for customized liver defense. This crucial antioxidant support neutralizes toxins that prevent peak liver performance. FIRST DAY™ Healthy Inflammation Response Blend: Antioxidant-dense whole foods and nutrients, such as olive fruit, turmeric and Thione Complex™, promote healthy inflammation response. Artichoke: Provides antioxidant activity that protects liver cells from damage, promotes liver cell regeneration and stimulates bile production, enabling the body to better neutralize and remove toxins. Artichoke compounds are also thought to influence HMG-CoA reductase, an enzyme for cholesterol production. Milk Thistle: A centuries-old herb for liver health, milk thistle supplies silymarin, which optimizes healthy liver function and balances blood cholesterol. Milk thistle also promotes anabolic protein synthesis and liver cell regeneration. Choline: Supports liver health by optimizing transport of cholesterol away from the liver into the bloodstream where it is needed. AgeLoss Organic Gold Standard Potentiating Nutrients acerola, annatto seed extract and brown rice optimize these age-defying liver nutrients. AgeLoss Liver Support is the first supplement to supply liver-targeted antioxidants that neutralize toxic substances that accumulate in the liver over time. By encouraging youthful liver function and liver cell regeneration, AgeLoss Liver Support unlocks whole body wellness!
