

KETO Assist™ is a delicious, ready to use source of exogenous ketones in the form of beta-hydroxybutyrate (BHB) and serves as a direct energy source to the brain and muscles that is immediate and long-lasting. Research findings indicate exogenous ketones support energy, cognition, weight management and ketogenic program goals.*

Directions: Adults can enjoy KETO Assist™ by using 1-2 scoops daily with 8 ounces of water, juice, coffee, tea or with your favorite recipe or smoothie.

If you are pregnant, breastfeeding, on medication or under any medical supervision at all, consult a doctor before using this or any dietary supplement.

goBHB™ is a registered trademark under exclusive global distribution by Compound Solutions Inc. This product is protected under U.S. patent 6,611,164 (3)
