KEEP OUT OF REACH OF CHILDREN
STORE IN A COOL, DRY PLACE

LOT002862
EXP 9-30-21

INGREDIENTS: Potassium bicarbonate, magnesium carbonate, potassium glycinate, and sodium bicarbonate.

DIRECTIONS: As a dietary supplement, take about ½ scoop in 4-8 ounces of purified water preferably away from food, or as directed by a health care professional.

Ph ADJUST may be used to increase salivary and urinary pH; counteract overly acidic conditions in the body; and to supplement the body with the minerals potassium, magnesium, and sodium.†
