

NRF2GUARD: Is a powerful NRF2 activator. This synergistic formula turns on the production of antioxidant enzymes such as Catalase, Glutathione and Superoxide Dismutase (SOD). When synergistically blended together, these antioxidant enzymes can neutralize up to one million free radicals per second, every second. This one to one million ratio proves to be a far more effective approach in combating aging, disease, and exposure to toxic elements, better than any antioxidant or Cycle Guard on the market today.

- LIVER SUPPORT
- NEUTRALIZE TOXINS
- REMOVE OXIDATIVE STRESS
- SCIENTIFICALLY CALIBRATED

DIRECTIONS: Take 2 capsules with food & water separate from other supplements anytime during the day.

WARNINGS: Store in a cool dry place. Keep out of reach of children. Do not take if pregnant, nursing or taking immune suppressing therapy. Consult with physician before use. Do not use this product if safety seal is torn or missing.
