Children's Acidophilus

1 BILLION VIABLE CELLS PER TABLET

Survives Stomach Acid

SHELF STABLE • GRAPE FLAVOR

Dietary Supplement

60 Chewable Tablets

SUPPLEMENT FACTS

Serving Size 1 Chewable Tablet

	Amount Per Serving	% Daily Value
Proprietary probiotic blend (<i>Lactobacillus acidophilus</i> La-14, <i>Bifidobacterium lactis</i> BI-04, and <i>Lactobacillus salivarius</i> Ls-33)	1 Billion Cells**	*

* Daily Value not established

** At time of manufacture

Other Ingredients: Sorbitol, xylitol, natural grape flavor, vegetable stearin, cellulose, citric acid, maltodextrin, silica, magnesium stearate, Luo Han Guo fruit extract, and carmine color.

Our probiotic strains are stabilized using a patented poly matrix system (patent # 6,653,062) that provides shelf stability at normal room temperature. No refrigeration required.

Each Bio-Enhanced, Acid Resistant Strain (BEARS) has been specifically designed to survive stomach acid secretions during digestion. BEARS eliminates the need for enteric coating by preventing the destruction of viable cells that occurs when weaker strains are exposed to an acid environment.

Children's Acidophilus is a high-potency, multiple species probiotic supplement. It provides three of the best probiotic strains for children in amounts that will support and nurture a healthy digestive system.†
