THE OFFICIAL RECOVERY BRAND OF CHAMPIONS.†

Faster recovery is key to better results. For over 10 years, **XTEND®** has been using branched-chain amino acids (BCAAs) to make the best recovery products on the planet. **XTEND® PRO** combines all the incredible benefits of BCAAs with ultra-pure whey protein isolate to help maximize muscle recovery, retention, and growth. With fewer than 150 calories and only a few grams of carbs per serving, **XTEND® PRO** is a BCAA-enhanced protein unlike anything else on the market.†

If you want to build muscle and support muscle recovery, it's essential that you consume sufficient quality protein every day through nutrition and supplementation. The whey protein isolate in **XTEND® PRO** is an extremely clean, bioavailable source of protein, selected specifically to support your fitness goals. The added BCAAs make **XTEND® PRO** a recovery powerhouse. Packing 25 grams of protein and 7 total grams of BCAAs per serving, XTEND® PRO is engineered for incredible results.†

WHEN TO TAKE XTEND® FOR BEST RESULTS:

Combine with any **XTEND®** branded product every day, even on rest days, to help maximize your recovery.†
