

NEO-3® process utilizes lipase enzymes to enrich EPA and DHA concentrations, while virtually eliminating contaminants, and helps to deliver a clean taste.

Recommended Dose: Adults and Children (1 year and older): Take 2 teaspoons once daily or as recommended by your health professional. If preferred, Berry DHA can be mixed with juice or water. Shake well before each use. **Warning:** If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

Keep out of the reach of children. Use only if safety seal is intact. Refrigerate after opening.

NEO-3® is the registered trademark of NSJL Limited, used under license.
