

TRUTH

We pledge total truth in labeling. Our family of products contain only the purest and most potent ingredients. **Guaranteed.**

Eye health can be affected by light radiation, sun exposure and dietary deficiencies. Lutein is an antioxidant carotenoid that is found in nature with Zeaxanthin.* Both are especially concentrated in the macula of the eye.* Dietary Lutein and Zeaxanthin help to support eye health by reducing the effects of oxidative stress to the macula and lens of the eye.*
