Every Day Fiber® Orange

SUGGESTED USE: Adults: For persons 150 pounds and more: 1 heaping tablespoon three times daily. For persons under 150 pounds: 1 tablespoon twice daily. Mix with 8 oz. of water and drink immediately.

Children (6-12 years): Half a tablespoon twice daily.

As a means of adding beneficial fiber to your diet, Every Day Fiber may be taken daily.

Good For Your Heart

Soluble fiber from foods such as Psyllium Husk, as a part of a diet low in saturated fat and cholesterol, may reduce the risk of heart disease. A serving of Every Day Fiber supplies 4 grams of the 7 grams of soluble fiber from Psyllium Husk necessary per day to have this effect.

Suggested use for weight management:

Take one tablespoon (approx. 7g) about half an hour before every meal, with at least 8 oz. of water. Psyllium Husk promotes a feeling of fullness, which may help you eat less at meal time.* It also provides fiber that helps promote good bowel movements, which are essential for weight management.*

Fill controlled by weight not volume.

In case of disposal, place in trash and avoid disposal in any plumbing system.
