If you have been thinking about your weight, blood sugar and cholesterol a lot lately, and you are looking for more support and balance in your life, think about Glyco-X 400.

Glyco-X 400 has Berberine HCL (Hydrochloric acid). HCL complements Berberine because it helps your digestion, while also helping more nutrients absorb better in your cells. Banaba leaf extract has been added to complement the Berberine HCL - completing this supplement for your cholesterol and blood sugar levels—in addition to giving you more “clean energy.”

Note - No product claims are being made or implied. Research is ongoing.”
