Folks are Talking About the Benefits of NuSyllium Ultra Organic Natural Fiber!

You can use NuSyllium Ultra to feel less hungry between meals*.

Maintain healthy blood sugar levels by using NuSyllium Ultra as part of your sugar free diet*. Talk to your doctor before use if you are taking medication to control your blood sugar levels.

Organic NuSyllium is a great choice for promoting and maintaining digestive health*. You can use NuSyllium Ultra for occasional constipation and to help promote and maintain regularity.

Did you know that one dose of NuSyllium Ultra contains 5 gm of soluble fiber? You can use it for lowering cholesterol and promoting heart health*. Talk to your doctor who will have good advice for you to use NuSyllium Ultra as part of your cholesterol-lowering program.

DIRECTIONS

 Adults 12 years and older (up to 3 times daily): Put 1 rounded TEASPOON into an empty glass. Mix this product with at least 8oz (a full glass) of water. Stir briskly to mix the fiber into the water fully and drink promptly. Taking without enough water may cause choking. Do not take this product if you have difficulty swallowing. As bulk-forming fibers such as NuSyllium Ultra may affect how medicines work, take this product at least 2 hours before or after taking your medicines. You can take NuSyllium Ultra at any time of the day. **Children under 12 years:** Consult a doctor before use. Stop using NuSyllium and see a doctor if constipation lasts more than a week or if rectal bleeding occurs as these may be signs of a serious condition.

FIRST-TIME USERS

Start with one serving per day and then adjust your dose upward as needed. Adding fiber to your diet may cause changes in your bowel habits or minor bloating. These are normal reactions as your body adjusts to the increase in fiber in your diet.

Drug Facts
Active ingredient (in each TEASPOON)

Psyllium husk approximately 6.8 g.....Fiber therapy for regularity

Uses for relief of occasional constipation (irregularity)

Warnings
Choking: Taking this product without adequate fluid may cause it to swell and block your throat or esophagus and may cause choking. Do not take this product if you have difficulty in swallowing. If you experience chest pain, vomiting or difficulty in swallowing or breathing after taking this product, seek immediate medical attention.

Allergy alert: This product may cause allergic reaction in people sensitive to inhaled or ingested psyllium.

Ask a doctor before use if you have

- a sudden change in bowel habits persisting for 2 weeks
- abdominal pain, nausea or vomiting

Stop use and ask a doctor if ■ constipation lasts more than 7 days

- rectal bleeding occurs
- These may be signs of a serious condition.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away at 1-800-222-1222.

Directions Put one dose into an empty glass. Mix this product (child or adult dose) with at least 8 ounces (a full glass) of water or other fluid. Taking this product without enough liquid may cause choking. See choking warning. Stir briskly and drink promptly. If mixture thickens, add more liquid and stir.

Adults 12 years & older: 1 rounded TEASPOON in 8 oz of liquid at the first sign of irregularity. Can be taken up to 3 times daily. Generally produces effect in 12-72 hours.

Children under 12 yrs: Consult a doctor before use

Bulk-forming fibers like psyllium husk may affect how well other medicines work. If you are taking a prescription medicine by mouth, take this product at least 2 hours before or 2 hours after the prescribed medicine. As your body adjusts to increased fiber intake, you may experience changes in bowel habits or minor bloating.

New Users: Start with 1 serving per day; gradually increase to desired daily intake. You may initially experience changes in bowel habits or minor bloating, as your body adjusts to increased fiber intake.
