Meets USP <2040> disintegration.

No Sugar, No Starch, No Artificial Colors, No Artificial Flavors, No Preservatives,
Sodium Free, No Wheat, Gluten Free, No Corn, No Soy, No Dairy.

Many women can benefit from daily usage of evening primrose oil (EPO),
regardless of age or stage of her life. GNC Women's Evening Primrose
Oil 1300 is a premium source, cold-pressed oil.

EPO is a natural source of gamma-Linolenic Acid (GLA).

GLA is an omega-6 fatty acid that acts as a precursor to prostaglandins, hormone-like
substances that help to regulate body processes including hormonal balance.* Additionally,
GLA provides support for smooth, healthy-looking skin.*

Each softgel capsule delivers 1,300 mg of high-quality EPO; cold-pressed to retain all of the
valuable nutrients naturally present in the raw EPO seed.
