

Maca has been used by native Indians in Peru as a vital ingredient to health for thousands of years. Maca root grows in the mountains of Peru at high altitudes making it the highest altitude growing plant in the world.†

**POTENCY:** Our maca contains three of the most popular maca roots, which come in the colors of black, red and yellow that combined enhances powerful properties to maximize results. Our unique formula delivers 1,900 mg per serving of pure Peruvian maca, making it the most potent and highest mg count available on the market.†

**RECOMMENDATIONS:** As a dietary supplement, take two (2) capsules 1-2 times daily with meals or as directed by a healthcare practitioner.

**CAUTIONS:** Pregnant or nursing mothers, children under the age of 18, and individuals with serious medical condition should consult with your health care professional before using this product or any dietary supplement. Do not use if the band around the cap is broken or missing.
