

Magnesium is an important mineral that regulates 300 enzymes in the human organism. It supports the immune system, promotes regulation of blood pressure, healthy muscle function, supports bone density, supports cardiac and brain function.†

NaturaLife Labs™ Magnesium Glycinate uses high quality Albion minerals with impressive bioavailability formulated to be gentle on your stomach.

RECOMMENDATIONS: As a dietary supplement, take three (3) veggie capsules once or twice daily, with meals or as directed by your health care practitioner

CAUTIONS: Pregnant or nursing mothers, children under the age of 18, and individuals with serious medical condition should consult with your health care professional before using this product or any dietary supplement. Do not use if the band around the cap is broken or missing.

STORE IN A COOL, DRY PLACE
KEEP OUT THE REACH OF CHILDREN

This product has been manufactured by a FDA registered facility following GMP (Good Manufacturing Practices).

- ✓ Supports Muscle Relaxation†
