

Nova Nutritions MK7 (from Natto) provides Vitamin K2 in its most biologically active form which is completely absorbed and remains in the body longer than other forms of vitamin K. Vitamin K2 MK7 is intended to provide nutritive support for healthy bones and a healthy cardiovascular system, calcium metabolism and arterial health.*

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
