Betaine HCL

Promotes Healthy Digestive
Function & Hydrochloric
Acid Level in Stomach*

648 mg

250 Capsules

DIETARY SUPPLEMENT

Betaine is a source of hydrochloric acid, or stomach acid. Betaine HCl supplement is typically used to increase levels of hydrochloric acid in the stomach. This formula also contains pepsin, a digestive enzyme that assists with the digestion of protein.*

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Do not take in case of stomach or duodenal ulcer. Do not take on an empty stomach.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
