

Nattokinase is a systemic enzyme isolated from the traditional Japanese soy food, natto. The enzyme is composed of 275 amino acids and is considered to be one of the most active functional ingredients found in natto. Nattokinase is to be used as part of your diet and exercise program to maintain normal circulatory health.*

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.
Do not use if safety seal is broken or missing.
Keep in cool, dry place.
