Calcium citrate is a water-soluble form of calcium that's well absorbed on an empty or full stomach. Vitamin D is added because of their essential role in bone metabolism. It promotes healthy bones and supports proper functioning of body systems.*

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.
Do not use if safety seal is broken or missing.
Keep in cool, dry place.

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.*
