

Chromium is an essential trace mineral that works with insulin to maintain normal blood sugar levels. Chromium also may play a role in increasing HDL cholesterol (the good kind) while reducing overall cholesterol levels and the proper utilization of protein, fat and carbohydrates.*

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.

Do not use if safety seal is broken or missing.

Keep in cool, dry place.
