

L-Arginine and L-Citrulline are two amino acids combined into one supplement. They are crucial for protein metabolism and utilization, as well as for the maintenance of muscle tissue. Arginine supports muscle metabolism, energy, heart function and circulation.*

CAUTION: For adults only, if you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Keep out of the reach of children.
Do not use if safety seal is broken or missing.
Keep in cool, dry place.
