

Hyaluronic Acid is a polysaccharide present in every tissue of the body, with the highest concentrations occurring in connective tissue, including joints, ligaments, tendons and skin. Hyaluronic Acid is an important constituent of joint fluid, where it serves as a lubricant and plays a role in resisting compressive forces.*

SUGGESTED USE: As a dietary supplement, take two (2) capsules one to two times daily, or as directed by your qualified healthcare professional.

FREE OF: Artificial Color, Preservatives, Sugar, Starch, Milk, Corn, Gluten, Wheat, Yeast, Fish.

Keep out of the reach of children.
Do not use if safety seal is broken or missing.
Keep in cool, dry place.
