

Recommended Dose: Take 1 capsule daily with a meal or as recommended by your health professional. **Warning:** If you are pregnant or lactating, do not use. Consumption with alcohol, drugs or other supplements with sedative properties is not recommended. If you are taking any medication or have any health condition, consult your health professional before use. Do not exceed the recommended dose. High dosages of berberine can depress respiration, stimulate intestinal smooth muscle and reduce bronchial constriction. If the following symptoms occur: nausea, vomiting, drop in blood pressure or difficulty breathing, discontinue use and consult your health professional. **Keep out of the reach of children.** Use only if safety seal is intact. Store in a cool, dry place.
