Suggested Use: As a dietary supplement, take 2 capsules daily.

Color Rescue for Graying Hair supports your natural hair color from within. The absence of Catalase is thought to initiate the chain reaction resulting in gray hair. We combined Catalase with bioactive nutrients recognized for their benefits in promoting fuller, healthier and younger-looking hair.[†]

Modern Science for Better Hair

Our team of hair care experts is dedicated to creating effective solutions with bioactive ingredients for younger-looking hair.[†]

WARNING: Do not exceed recommended dose. Pregnant or nursing mothers, children under the age of 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement. **KEEP OUT OF REACH OF CHILDREN.** Do not use if safety seal is damaged or missing. Store in a cool, dry place.
