

Fortifeye Blue Green Superfood was developed by doctors who have a passion for proper nutrition. This supplement is both Paleo friendly and FODMAP free. FODMAPs are certain common foods that contain fermentable oligosaccharides, disaccharides & monosaccharides & polyols that may aggregate IBS and other functional gastrointestinal disorders. This is a blend of carefully thought out and selected fruits and vegetables that provide essential vitamins, minerals and antioxidants needed to support optimal health.

No inexpensive fillers, bulking agents or fibers are used in this formula.
