

Perfect Bovine Gelatin

One Simple Ingredient: Made only from Brazilian pasture raised (grass-fed) cows.

Sustainable & Ethical: Pasture raised and grass-fed cows (untouched by hormones or antibiotics) graze on pasture that is free from chemical fertilizers or pesticides.

Made from natural bovine collagen, Perfect Bovine Gelatin gels and thickens when mixed with cold liquids. Perfect Bovine Gelatin provides an excellent way to supercharge your gummies, fruit gelatin, soups and custards with all natural and healthy collagen protein.

Perfect Health Benefits: Perfect Bovine Gelatin is the perfect source for all-natural pure protein. One serving provides 10 grams of protein with ZERO grams of carbs and fat.

Perfect Bovine Gelatin delivers important amino acids that are difficult to find in our diet, such as glycine, proline, and hydroxyproline. Research indicates that the amino acids found in gelatin may help:

- Build human cartilage†
- Support joint health†
- Assist digestion†
- Improve skin, hair, and nail quality†

Gelatin is simply collagen that has been heated. Collagen is the most abundant protein in the human body, however, as we age our collagen levels decrease. Perfect Bovine Gelatin provides an easy way to get more collagen protein in your diet. Add a scoop of Perfect Bovine Gelatin to your next recipe and discover the benefits of a diet rich in protein.
