FACTS, NOT FLUFF

Many probiotic products promote themselves with inflated claims of the "most researched" or "most recommended." Some even try to pass off spores as probiotics. Nonsense. All GoLive products contain a symbiotic blend of clinically-tested probiotics and essential prebiotics for optimal efficacy.

Other Ingredients: Natural Flavors (with Yuzu Lemon Extract), Monk Fruit Extract, Citric Acid.

Contains Milk.

Contains 12mg Caffeine.

*Guaranteed CFU count through best by date under recommended storage conditions.

Best if stored at 72° F (22° C) or below. Avoid excessive heat or moisture.

DID YOU KNOW?

Your body contains approximately 100 trillion bacterial cells and only 10 to 50 trillion human cells. The beneficial bacterial cells play a critical role in maintaining healthy digestion, enhancing metabolism and supporting immunity.

WE'VE GOT YOU COVERED

GoLive Complete Daily Matcha Tea is a clinically-formulated symbiotic blend of probiotics, prebiotics and antioxidant-rich organic matcha tea to optimize efficacy and contribute to a healthy gut (and so much more).*

A packet a day may even keep the doctor away.

BEST PROBIOTICS GoLive Complete Daily Matcha Tea includes fifteen clinically-tested strains (each addressing specific health needs and supporting digestive, immune and metabolic functions)* in a delicious and refreshing blend. GoLive products do not contain spores (e.g. *Bacillus coagulans*), and they never will.

ESSENTIAL PREBIOTICS Prebiotics are carbohydrates that "nourish" our probiotics. GoLive Complete Daily Matcha Tea includes three prebiotic soluble fibers...a perfect "meal" for your probiotics.

LIVE & ACTIVE GoLive Complete Daily Matcha Tea is formulated and packaged to ensure that your probiotics are live and active when you consume them, just as nature intended. Mix with your favorite food or drink and *Bring Your Diet to Life!*®

1 MIX 2 ENJOY 3 REPEAT

Mix with your favorite unheated food or drink (water, juice, smoothie).

Enjoy any time of day, with or without food.

Repeat daily for optimal benefit.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
