FACTS, NOT FLUFF

Many probiotic products promote themselves with inflated claims of the "most researched" or "most recommended." Some even try to pass off spores as probiotics. Nonsense. All GoLive products contain a symbiotic blend of clinically-tested probiotics and essential prebiotics for optimal efficacy.

DID YOU KNOW?

Your body contains approximately 100 trillion bacterial cells and only 10 to 30 trillion human cells. The beneficial bacterial cells play a critical role in maintaining healthy digestion, enhancing metabolism and supporting immunity*.

WE'VE GOT YOU COVERED*

GoLive Complete Daily Tangerine Turmeric is a clinically formulated symbiotic blend of probiotics and prebiotics to optimize efficacy and contribute to a healthy gut (and so much more)*. A packet a day may even keep the doctor away.

BEST PROBIOTICS GoLive Complete Daily Tangerine Turmeric includes fifteen clinically-tested strains (each addressing specific health needs and supporting digestive, immune and metabolic functions)* in a delicious and refreshing blend. GoLive products do not contain spores (e.g. Bacillus coagulans), and they never will.

ESSENTIAL PREBIOTICS Prebiotics are carbohydrates that "nourish" our probiotics. GoLive Complete Daily Tangerine Turmeric includes three prebiotic soluble fibers and prebiotic organic cane sugar...a perfect "meal" for your probiotics.

LIVE & ACTIVE GoLive Complete Daily Tangerine Turmeric is formulated and packaged to ensure that your probiotics are live and active when you consume them, just as nature intended. Mix with your favorite food or drink and Bring Your Diet to Life!®
