

Perfect Vitamin D3 provides 5,000 IU of all natural vitamin D3 in just one softgel; a whole year's worth of D3 in one bottle. You get the same biologically active form of vitamin D produced in the human body when exposed to sunlight, without the risk of UVB exposure. Perfect Vitamin D3 includes only cholecalciferol, the purest, most absorbable and most effective form of D3. A vitally important nutrient, vitamin D3 supports bones, immune function and so much more.[†]
