Perfect Supplements

Perfect MCT Oil - The perfect source of 100% Organic Medium-Chain Triglycerides (MCTs) from 100% Organic Coconuts (grown with NO toxic herbicides, pesticides, or GMOs). Contains 100% Organic MCTs with absolutely no other ingredients (NO cheap fillers, questionable additives, preservatives, or GMOs).

Perfect MCT Oil provides a pure and fast energy boost for your body and brain.†

MCTs are healthy fatty acids that are quickly burned by the body for energy and fuel, rather than being stored as fat. While most fats need to be processed through the digestive system, MCTs are quickly processed in the liver and easily absorbed as a source of fast and sustainable energy for your entire body.†

If you are following a Keto or Paleo lifestyle and looking for a pure source of caprylic acid (C8) and capric acid (C10) that is organic, sustainable and ethically sourced, then Perfect MCT Oil is the perfect choice!†

Ingredients: 100% USDA Organic MCT Oil from Non-GMO, Sustainably Sourced Coconut Oil

Suggested Use: Take 1 tablespoon (15 mL) as needed (maximum 3 tablespoons per day). Start slowly as excessive MCT Oil can cause digestive issues. Goes great in smoothies, hot drinks, cooking (below 320°F) and salad dressing.

No refrigeration required. Store in a cool, dry place.

Allergen Warning: Contains Tree Nuts (Coconut).

Caution: Avoid styrofoam because all MCT Oils may react with the oils in styrofoam. Avoid heating above 320°F (MCT Oil smoke point). Check with your doctor before starting any new supplement.
