

Perfect Fermented Kale provides the nutrient density of super-greens kale in a convenient powder. Kale provides a wide variety of vitamins and minerals, as well as phytonutrients such as chlorophyll and glucosinolates, the beneficial compound found in cruciferous vegetables.

Perfect Fermented Kale is cultured in organic black strap molasses with live vegan cultures. In addition, this pure super-greens powder is organic, gluten-free, and vegan.¹

This product is manufactured in a facility that processes milk, egg, soy, tree nuts, fish, and shellfish.
