FACTS, NOT FLUFF

Many probiotic products promote themselves with inflated claims of the "most researched" or "most recommended." Some even try to pass off spores as probiotics. Nonsense. All GoLive products contain a symbiotic blend of clinically-tested probiotics and essential prebiotics for optimal efficacy.

DID YOU KNOW?

Your body contains approximately 100 trillion bacterial cells and only 10 to 30 trillion human cells. The beneficial bacterial cells play a critical role in maintaining healthy digestion, enhancing metabolism and supporting immunity*.

BEAUTY STARTS ON THE INSIDE

GoLive Plus Beauty Tonic Functional Blend includes a spectrum of targeted, clinically-tested probiotic strains, essential prebiotic fibers PLUS complementary, functional ingredients, including biotin, collagen, omega-3, vitamin D3, and vitamin E.* A packet a day may even keep the doctor away.

BEST PROBIOTICS GoLive Plus Beauty Tonic includes ten clinically-tested, targeted strains (each addressing specific health needs and supporting digestive, immune and metabolic functions)* in a delicious and refreshing blend. GoLive products do not contain spores (e.g. Bacillus coagulans), and they never will.

ESSENTIAL PREBIOTICS Prebiotics are carbohydrates that "nourish" probiotics. GoLive Plus Beauty Tonic is blended with three prebiotic soluble fibers...a perfect "meal" for your probiotics.

LIVE & ACTIVE GoLive Plus Beauty Tonic is formulated and packaged to ensure that your probiotics are live and active when you consume them, just as nature intended. Mix with your favorite food or drink and Bring Your Diet to Life!®

1 MIX 2 ENJOY 3 REPEAT

Mix with your favorite unheated food or drink (water, juice, smoothie).
Enjoy any time of day, with or without food.
Repeat daily for optimal benefit.
