

Suggested Pollen Program:

1. To lessen the possibility of an allergic reaction, take 1/4 tablet (375 mg) for five to seven days. Increase to 1/2 tablet (750 mg) for five to seven days. Then increase to 3/4 tablet (1125 mg) for the next five to seven days.
2. Begin taking one (1) 1500 mg Honeybee PROfessional Pollen tablet daily.
3. Gradually increase consumption until desired results are achieved

CAUTION: Consult your physician before taking if you are pregnant, nursing, or have any pre-existing medical conditions.

Note: The color, taste, and texture of this product may vary due to its natural ingredients and/or seasonal changes.

- Keep out of the reach of children
- Store in a cool, dry place
- Do not use if seal is broken
