

LIQUID HERBAL EXTRACT

AMERICAN GINSENG

Panax quinquefolius
Cultivated Whole Root

HERBAL DIETARY SUPPLEMENT
4 Fluid Ounces (118.4 ml)

We prepare our American Ginseng Extract from the whole roots of *Panax quinquefolius* plants which are Certified Organically Grown.

To assure optimal extraction of American Ginseng's bioactive compounds, the roots are hand-harvested in mid to late autumn, are carefully shade-dried, and are then thoroughly extracted.

Other ingredients: distilled water & certified organic grain alcohol (28 - 38%).

Our American Ginseng is never fumigated or irradiated.

Dry herb / menstruum ratio: 1 : 4

SUGGESTED USE

SHAKE WELL BEFORE USING

Two or three times per day
take 30 to 40 drops in a little water.

Keep Out of the Reach of Children
