

Earth Broth™ is a one-of-a-kind superfood complex for deep nourishment and adaptogenic immune support. The perfect companion product to Vitamineral Green™, Earth™ is warming, grounding, and savory. This unique formula is loaded with nutrient-dense roots like astragalus, burdock, yacon, and ashwagandha and immune-supporting reishi, shiitake, and maitake mushroom extracts. Earth also contains a diverse mix of beneficial herbs, including slippery elm bark, red clover, kelp, blessed thistle, and sheep sorrel. This is the only herbal superfood complex of its kind. Try mixing Earth with herbal tea, miso broth, or veggie soup. Earth can also be consumed raw sprinkled on foods, mixed with salad dressings, or added to smoothies.

SUGGESTED USE: Start with 1 teaspoon per day and increase gradually over two weeks to suggested use of 1 tablespoon per day, or as advised by a qualified health care professional. Refrigerate after opening. Consume with conscious, positive intent.
