

Elite Green Protein™ Vitalvibe Edition is the most hard-core protein powder in existence. It is 100% complete protein and 100% superfoods. These green foods promote powerful performance and endurance as well as rapid recovery from workout stress. The protein in Elite Green Protein is derived from spirulina and chlorella, specifically grown and processed to maximize their benefits.

What is a True Warrior

"A true warrior is kind (to others – even kind to non-warriors, kind to animals, and kind to the earth), unselfish, caring, and lives consciously by a code of ethics/honor such as Bushido (samurai) or chivalry (knights), yet at the same time is completely willing to stand up for those in need and unleash a fury of appropriate force should battle be required. A true warrior is conscious of all the choices made in life and is open-minded. The world needs more true warriors. Are you a true warrior? If not, I invite you to become one!"

In loving memory of Dr. Jameth Sheridan

Suggested Use:

This product is VERY cleansing, so start slowly with 1 teaspoon per day in water, juice, smoothie, or a meal (salad, for example). Then, increase slowly to 2 heaping tablespoons per day. This product is pure food. It will nourish your entire body in a way that only whole superfoods can.

How Does This Taste?

This product is Lean, Mean, and deeply Green. **NO watering down. NO retreat. NO surrender. NO compromises. NO Way!** Little kids and non-warriors can and do take this, and so can you! Seasoned superfood warriors find this a tasty treat. Other warriors will master it in time. Alcohol is an acquired taste, and Elite Green Protein™ tastes WAY better than alcohol. Easy to take in juice. No excuses.

Are You Warrior Enough?
