Organic Green Tea (60)

OUR WORLD
YOUR HEALTH

Organic Green Tea Extract

Let's face it, nothing will melt pounds off of you. However, nature has provided us with ways to gently boost our metabolisms and get us moving! Green tea has been used for centuries in Indian culture to promote healthy weight loss and overall health, and now has finally gained popularity in the Western world. We are the only product that provides a naturally extracted and clean form of Green Tea as part of our Natural Fusion Extract® to ensure that we give you the most potent and effective version of Green Tea on the market today. Today, millions of people around the world incorporate Green Tea into their healthy lifestyles and it really is time you started!

What is Ayurveda?

Ayurveda, meaning 'Knowledge of Life' is a 5000 year old holistic healing system from India that promotes longevity, balance and happiness. Ayurveda helps sustain wellbeing by applying the inherent ethics of nature to bring the person back into equilibrium with their pure self. Ayurveda places great emphasis on prevention of illness and by rebalancing through appropriate nutrition, exercise, relaxation and lifestyle choices, we can help you live a much fuller life.

Our Story

For us, it's not just about a business; it's about a healthy lifestyle. We are a small, independent family run business whose aim is to transform the world by bringing a healthy revolution. By being conscientious of the effects we have on the world and how we can help, we do just that. By running our business in the most eco-friendly way as possible and with a short, safe list of products, we are able to ensure that we are a benefit to everyone we come into contact with. And that will never change! Get in touch with us today and start living a healthy lifestyle.

Our Promise

Your satisfaction is our first priority. We promise to offer 100% natural products, which means what it says no artificial ingredients or preservatives go near our products. Our products are made from the purest ingredients, ensuring that everything we sell is of the very best quality. And as an added bonus, by supporting us you are supporting other worthy causes. We promise to donate a percentage of our profits to different charitable foundations. Let's make this world a better place to live and love!
