

WHERE MASS AND RECOVERY BEGIN™

CELLMASS® PRODUCT HIGHLIGHTS:

CELLMASS® is designed to support and enhance:

- Muscle Growth and Density*
- Recovery from Training Sessions*
- Nighttime Anabolism*
- Repair of Muscle Tissue*
- Replenishment of Muscle Creatine, Phosphocreatine, and Glutamine Stores*
- Muscle Strength, Power, and Endurance*
- Correction of Creatine "Non-Responsiveness"*
- Muscle Carnosine Content*
- Resistance to Muscular Fatigue*
- Hydrogen Ion (H⁺) Buffering*
- Anaerobic Working Capacity of Muscle Tissue*

Stack with NITRIX®, N.O.-XPLODE™, AXIS-HT™, SYNTHA-6™, and TRUE-MASS® for maximum physique and performance impact.

DESIGNED FOR: Healthy persons 18 years and older seeking to support lean mass, recovery, and tissue repair after strenuous exercise or while sleeping.*

RECOMMENDED USE ON TRAINING DAYS: Serving 1: As a dietary supplement, mix 1 scoop with 4-6 oz. of cold water or any beverage of your choice immediately following your workout (on an empty stomach). Serving 2: As a dietary supplement, mix 1 scoop with 4-6 oz. of cold water or any beverage of your choice, 6-8 hours before or after your post-workout serving (on an empty stomach).

RECOMMENDED USE ON NON-TRAINING DAYS: Serving 1: As a dietary supplement, mix 1 scoop with 4-6 oz. of cold water or any beverage of your choice upon waking (on an empty stomach). Serving 2: As a dietary supplement, mix 1 scoop with 4-6 oz. of cold water or any beverage of your choice, 6-8 hours after your first serving (on an empty stomach).

NOTE: To prevent settling, stir vigorously and drink immediately. To ensure maximum results: wait 20-30 minutes after taking CELLMASS® before eating a meal or drinking a shake; it is also suggested to use this product in full within a 30 day period. Do not store in direct sunlight, store in a cool dry place.

NOTE: To maximize the effects of CELLMASS® consume 120 oz. of water per day and a diet that is rich in protein and carbohydrates. Your body chemistry and weight will determine how long it takes to experience the effects of CELLMASS®. Many users may notice the effects within the first 3-7 days of recommended use. Each week thereafter, the effects will become more pronounced. Other users may notice the initial effects after 7-14 days of use. Again, the effects will become more pronounced each week thereafter. CELLMASS® begins to induce its maximum effects in weeks 3-12. After 12 weeks of use, discontinue for at least 4 weeks. Store in a cool dry place!

CELLMASS® supports the following segments of the BSN Supplement Pyramid™: Recovery Support, Muscle Support, and Performance support*

*Due to settling, a natural occurrence with powders, variations in the powder height level may vary from bottle to bottle. Additionally, powder density may be affected as a result of the settling which may cause slight variations in the scoop serving size.

Allergen Warning: Manufactured on equipment which processes products containing milk, eggs, soybeans, wheat, shellfish, fish oil, tree nuts, and peanut flavor.

WARNING: Before consuming CELLMASS® seek advice from a health care practitioner if you are unaware of your current health condition or have any pre-existing medical condition including but not limited to: high or low blood pressure, cardiac arrhythmia, stroke, heart, liver, or thyroid disease; anxiety, depression, seizure disorder, psychiatric disease, glaucoma, pernicious anemia, difficulty urinating due to prostate enlargement, or if you are taking an MAO inhibitor or any other medication. Do not use if you are pregnant, nursing, prone to dehydration, or exposed to excessive heat. Reduce or discontinue use if sleeplessness, tremor, dizziness, nervousness, headaches, or heart palpitations occur. Please be aware this product contains the naturally occurring amino acid Beta-Alanine, which may cause a tingling skin sensation in some individuals similar to niacin flush. This effect should diminish after a few hours and should ultimately subside after days of continuous use. Although rare, individuals with the genetic disorder hyper Beta-Alaninemia should not use this product. CELLMASS® is only intended for use by healthy adults 18 years of age or older. Keep out of reach of children and pets.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
