Suggested Use: Start with one teaspoon and work up to one tablespoon per day, or as advised by a qualified health care professional. Add to hot beverages such as chai or herbal tea (boil in hot water for 5-10 minutes for even greater effect) or add to smoothies, juices, or raw desserts. Consume with conscious, positive intent during the day or before physical activity.

HealthForce SuperFoods® is a grassroots, independently owned and operated whole-food botanical company. We offer a diverse and truly effective product line inspired by the incredible symbiotic power of plants. Our mission is fueled by a passion for purity and heart-centered collaboration, with a strong commitment to compassion and integrity. We are proud to offer clean, ethically-produced products designed to help you thrive in a modern world.
