Omega-9 Fatty Acids		
Oleic Acid (from virgin organic macadamia nut oil)	400 mg	†

*Percent Daily Values are based on a 2,000 calorie diet.

†Daily Value not established.

Other Ingredients: Natural lemon flavor, lipase, mixed tocopherols; bovine gelatin, glycerine, water, annatto as natural color (softgel ingredients).

Contains fish (anchovy, sardines, mackerel or tuna oil) and tree nuts (macadamia nuts).

Warning: Consult your health care practitioner before use if you are taking blood thinning medication or are planning to have surgery.

Recommended Use: As a dietary supplement, take two softgels per day with meals, or as directed by your health care practitioner.

OmegAvail™ Synergy delivers four beneficial fatty acids in one softgel: EPA and DHA from fish oil in its natural TruTG™ (triglyceride) form, GLA from borage oil, and oleic acid from virgin organic macadamia nut oil and borage oil. It is molecularly distilled and filtered to ensure purity and to maximize the removal of metals, pesticides, PCBs, and other contaminants. Lipase is added to enhance the digestibility and mixed tocopherols (antioxidants) are added to enhance stability of the product. All DFH TruTG™ fish oil products are a minimum 90% natural TG bound omega-3 oils.
