

Revitalize Super Greens™ is 100% actual food, free of synthetic/isolated nutrients, and contains no binders, fillers, or added sweeteners. Showcasing U.S.-grown, organic, gluten-free grasses (both fine milled whole leaf and dehydrated juice form), Revitalize Super Greens has a light, refreshing flavor with a hint of peppermint. Additionally, beneficial super fruits acerola cherry and amla berry which provide food-sourced vitamin C and Peruvian-grown, organic, whole maca root are included in this unique superfood blend. All ingredients are carefully sourced, lab verified, and packaged in amber glass to retain maximum nutrient integrity.

Suggested Use: Start with 1 teaspoon per day and gradually work up to 1 tablespoon per day, mixed with purified water, juice, coconut water, or smoothie. Consume with conscious, positive intent.
