

Pomegranates are a rich source of ellagic acid which has been identified to have very potent antioxidant properties. In addition, pomegranates are very high in polyphenolic compounds, making its juice higher in antioxidant activity than red wine or green tea, reported to:

- **Stimulate Heart Health***
- **Promote Good Cholesterol Health***

Emerald® is committed to creating only clean, pure, additive-free products. You can be 100% certain that our ingredients are in the purest form possible.
