

Body Detox has a one-of-a-kind blend of antioxidants, specially designed oligopolysaccharides and glycoproteins, probiotics, enzymes, and minerals to help your body in every step of its detox process.*
Body Detox gives a necessary boost to your body's natural detox pathways along with some extra help for removing heavy metals, viral particles, and other harmful chemicals.*

DIRECTIONS: Shake well. Start with 1 spray under tongue at bedtime. Gradually increase to 8 sprays as tolerated. Best taken on an empty stomach. Or take as directed by your healthcare practitioner. **KEEP REFRIGERATED**

WARNING: Pregnant or lactating mothers should consult their health care practitioners prior to use.
